Depth : 90

Description

A desk from the "Artona" series, designed by Afra and Tobia Scarpa for Maxalto in the 1970s and 1980s. Crafted from burl-veneered wood, it stands out for its elegance and functionality. The dual storage compartments offer practicality: one with a hinged door and the other with drawers, both finished with leather fronts that add a touch of sophistication. It is in good overall condition, with slight signs of wear that attest to its authenticity and history. An iconic design piece that enhances both work and home environments.MOTATA0330272
