Description

Louis XVI-style walnut dining table - 19th centuryA very beautiful Louis XVI-style dining table from the 19th century, crafted from walnut.It features an elegant oval tabletop with rounded corners, edged with simple molding, resting on six tapered legs typical of the Louis XVI style, adorned with small rings and finished with finials.The table is equipped with a sliding mechanism that allows the tabletop to be extended using two extension leaves. When fully extended, it reaches a remarkable length of 3.16 meters, providing ample seating for large gatherings.The walnut tabletop features a beautiful antique patina and warm grain. The construction and proportions of the piece as a whole reflect an elegant and functional design, characteristic of 19th-century dining room
