Pair Of Elegant Art Deco-style Floor Lamps

9 550 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Description

An elegant pair of Art Deco-style floor lamps, dating from the 1950s and highly decorative, distinguished by their imposing proportions, sculptural appearance, and sophisticated dark bronze finish.Standing a remarkable 186 cm tall, these floor lamps combine the timeless elegance of Art Deco design with the decorative character typical of mid-20th-century interiors.Their structure is made of fiberglass with a dark bronze patina finish, offering the visual appeal of antique bronze while retaining the qualities inherent to this innovative material.The floor lamps have retained their original glass shades, an essential element that preserves their period authenticity and contributes to their elegance.Original glass shades and restored electrical systemBoth floor lamps have undergone professional electrical
