12 Jars Of Natural Pigments

235 EUR

Period : 20th century

Condition : Très bon état

Material : Other

Description

There are 12 of them, and they fit together like the fingers of ahand, lined up patiently on their shelf. You'll choose between alizarinscarlet, red, or violet lacquer.... Then perhaps aMars yellow or a cobalt green--English, though emerald would also do... Oh yes, Iforgot to mention that these are top-quality natural pigments for artistsof all stripes.
