Description

Large wall mirror with a curved pediment, Venetian, signed HINSBERGER in the lower right corner of the design.The pediment depicts a romantic scene set in a wooded landscape. A horseman in formal attire turns toward a young woman, while a castle is visible in the background. The contrast between the glass, frosted by engraving, and the reflective background highlights the details of the costumes, the horse, and the foliage.The central glass panel is surrounded by beveled mirror panels, engraved with garlands of flowers and foliage. Four rosettes adorn the corners of the frame, while a floral cartouche highlights the top of the arch. The reverse side is made of wood.Alexis Hinsberger (1907-1996), engraver and glass artistBorn in Cartagena, Spain, Alexis Hinsberger
