Description

Set of five antique silver-plated egg cups, crafted by the English silversmiths Mappin & Webb, founded in Sheffield in the 18th century.Each egg cup features a slightly slanted hemispherical bowl, connected by a double-curved handle to an open circular base, which ends in small cut-out feet.The design, with its clean lines and functional structure, reflects the aesthetic of late 19th- and early 20th-century British design, in the style of Christopher Dresser.The pieces bear the manufacturer's mark "MAPPIN & WEBB."Provenance: former Hôtel Élysée Palace, Cannes (Alpes-Maritimes).Estimated date: first quarter of the 20th century, circa 1911-1920.Set of five pieces showing signs of use, superficial scratches, and signs of age visible in the photographs.Stated total weight: approximately
