Collectible Pill Box Made Of Solid Silver Hand-chiseled Floral Design & Original Hallmarks

120 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Length : 5cm

Description

Discover this stunning oval pocket box made of solid silver, enhanced by exquisite engraving featuring floral motifs and scrollwork in relief across the entire lid and body. An elegant and authentic vintage piece of silverwork, it features a sturdy hinge and retains its original hallmarks, clearly visible on the inside of the lid. Ideal for storing small pieces of jewelry, pills, or to enhance a collector's display case, this box combines the charm of retro style with the enduring value of a precious metal object.Weight: 16g
