Set Of Ten Cameos - 19th Century

1 500 EUR

Period : 19th century

Condition : Bon état

Material : Precious stone

Height : 2 - 4.2 cm

Description

Set of ten oval-shaped, unmounted cameos featuring female and male portraits in relief, primarily in profile. The subjects are distinguished by their elaborate hairstyles, drapery, and, in some cases, floral ornaments.The set includes various materials, including shell and coral, as well as stone-like pieces whose exact nature remains to be determined. The colors range from creamy white to orange-brown, with two coral-red cameos, one black piece, and another pale blue.Period: 19th century.Heights: 2 to 4.2 cm.Condition: varies by piece: surface wear, small chips and cracks, with some visible fissures and imperfections. The photographs allow you to assess the condition of each cameo.
