Neo-gothic Brass Handheld Candlestick With Chimera Decoration -- 19th Century

150 EUR

Period : 19th century

Condition : Très bon état

Material : Brass

Description

A unique hand-held brass candlestick in the Neo-Gothic style, decorated with a winged chimera. The animal's head, supported by a long, curved neck, towers over a small bowl with outstretched wings and curled tips.The handle is adorned with a fleur-de-lis and stylized plant motifs. In the center, the cup, featuring architectural reliefs, holds the candle. The entire piece rests on a small four-lobed base.A decorative object featuring fantastical creatures, characteristic of the historicist taste of the second half of the 19th century.Period: second half of the 19th century, probably around 1870-1900.Style: Neo-Gothic, with Neo-Renaissance influences.Material: brass with an antique patina.Dimensions: length 22 cm; height 8 cm.Condition: in good, used condition, with
