Description

EARLY 20TH-CENTURY AMERICAN WOODEN ROLL-TOP DESK Impressive American roll-top desk dating from the early 20th century. It features an elegant sliding tambour top made of horizontal wooden slats, following the graceful curves of the piece and allowing the workspace to be completely concealed.The interior reveals numerous storage compartments, letter slots and small drawers, while the lower section features two pedestals fitted with multiple drawers. The desk also includes pull-out side writing slides, providing additional workspace.The piece retains its original metal fittings, including a decorative keyhole escutcheon bearing the inscription "Derby Desk". It shows signs of wear and a distinctive patina on the writing surface. A characterful piece, both
