## Description

This mahogany chest of drawers in the Directoire style, dating from the late 19th century, is an elegant and functional piece of furniture.It opens with double doors, revealing four practical compartments for storing small items or sewing supplies.Below, an additional drawer provides extra storage space.The top and front of this small piece of furniture are adorned with delicate bone fillet marquetry.The piece rests on four tapered legs, ending in bronze feet, which add a touch of sophistication and refinement.The tapered legs give the sewing cabinet stability and timeless elegance.This sewing table is not only a practical piece of furniture but also a work of art that attests to the craftsmanship and attention to detail of artisans from the Directoire period.It will add a touch of charm and character to any
