Description

On the front, this piece features two drawers in the upper section with wooden knobs. Below, a door with a mitered frame and inward-curving molding surrounds a burl ash panel. Inside, there is a storage compartment with a shelf. The side panels of this piece are slightly beveled. An overhanging, chamfered baseboard frames the bottom of the piece, which rests on clog-style legs. The top and sides of this piece are made from a single, highly decorative plank of burl ash.This is a unique piece due to its high-quality wood species, which is rare today.********Period: Late 19th centuryExcellent condition following restoration in our workshop.Waxed finish.Delivery available in France and internationally.Dimensions:Width: 39 cmDepth: 32 cmHeight: 85 cmReference: 341
