Description

A charming pair of miniature brass doll candlesticks, faithfully reproducing the proportions of traditional candlesticks.They are made of solid brass, typically lined with hard wax on the inside, using the same techniques employed for larger candlesticks.The cylindrical shafts rest on molded circular bases and are topped with flared cups.In good overall condition, with a few minor signs of wear, slight dents, and subtle patina variations that attest to their age. No major damage. A particularly charming and decorative set.A lovely pair of miniatures, ideal for a collection of doll furniture or small curiosities.Dimensions:Height: 10 cmBase diameter: approximately 5.8 cmMaterial: solid brass.
