Bronze Ceiling Light With Foliage Decoration - Frosted, Cut-glass Egg - Early 20th-century Chandelie

375 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Height : 33cm

Description

An elegant ceiling light from the early 20th century, featuring a richly detailed bronze frame adorned with acanthus leaves, volutes, and flowing foliage, in the spirit of Louis XV-style designs.The piece features an egg-shaped shade made of frosted white glass, adorned at its tip with a delicate radiating design cut into long facets. This shade diffuses a soft, warm light that is particularly pleasant when illuminated.The bronze mount retains its beautiful antique patina, highlighting the richness of its decoration.Electrical wiring completely redone, with wiring that meets current standards, including a ground connection for a Class I installation, particularly suitable for public access buildings (ERP).New E27 socket, compatible with a wide range of light bulbs, including
