Description

Coffee table with a base featuring a Corinthian capital in red marble, a testament to 20th-century Italian craftsmanship. The capital, with its intricate volutes and floral decorations typical of the Corinthian style, serves as a solid and imposing base. The tabletop is an elegant square of clear glass, allowing the sophistication and complexity of the marble beneath to be fully appreciated. Ideal for a living room or waiting room, it combines the charm of antiquity with modern functionality. The combination of fine materials and classic design makes this piece a distinctive example of the eclectic taste of the last century.Product condition:Due to its age and wear, this product requires restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through
