Statue On A Pole, Lesser Sunda Islands - Indonesia

800 EUR

Period : 20th century

Condition : Etat d'usage

Description

A very interesting statue depicting two warriors stacked on top of one another, symbolizing the new generation built upon the foundation of its ancestors--the lineage of warriors. It features a beautiful, weathered patina indicating a long period spent outdoors, as well as traces of libation (black streaks--blood?), wear, chips, stains, cracks... (see photos)... Antique object, early 20th century or earlier. Lesser Sunda Islands, Indonesia; height 76 cm, with its metal base; from the collection of Nina Wolmark, a famous creator of animated series in the 1980s (Rahan, Ulysse 31...)
