Pair Of Glazed Terracotta Lions

600 EUR

Period : 19th century
Condition : En l'etat
Material : Terracotta
Length : cm 19 cm 17,5
Width : cm 8 cm 8
Height : cm 16 cm 13

Description

A pair of sculptures depicting two crouching lions, made of terracotta with a glossy black glaze. The two pieces are distinguished by their asymmetrical proportions, with one slightly taller than the other. The sculptural modeling highlights the details of the manes. The black glaze finish gives the surfaces a chromatic depth reminiscent of dark marble, reflecting the refined ceramic tradition of southern Italian workshops.
