highlights the face and the band, while the white gold accentuates the diamonds.The emeralds dot the design like spots on a coat, and the rubies draw the eye toward the head.The interior detail with a honeycomb patternSince 1914, the panther has been one of the great totem animals of jewelry. In 1933, Jeanne Toussaint, nicknamed "the Panther," made it the signature of the House of Cartier. This panther-style ring carries on this spirit: that of a feline synonymous with freedom and independence. The gemstones add nuance to the message: the emerald speaks of love and renewal, the ruby of passion, and the diamond of eternity.Authenticated metal: 18-karat (750/1000) two-tone gold (yellow and white)Certified hallmark: owlWidth: 1 cmPrecious stones: 17 small emeralds, 2 small rubies, and 11 small diamondsTotal weight: 3.28 gSize: 53.5 (inner diameter 17 mm)Interior detail: honeycomb pattern
