Description

Antique solid wood butcher's block - Artisan's block - early 20th century Imposing antique butcher's block, also known as a butcher's block, made of solid wood, from a former butcher shop.This artisanal piece features a thick rectangular top made of solid wood, bearing the numerous cut marks and signs of use characteristic of its original function.It rests on four sturdy square-section legs and has two drawers on the front, fitted with metal handles.The corners are reinforced with metal fittings, attesting to its particularly sturdy construction.Its beautiful natural patina, signs of wear, and generous proportions lend it an authentic character.Today, this butcher's block would be perfect in a large country kitchen, a restaurant, a boutique, or an industrial-style
