## Description

A sideboard made of softwood from China, dating from the first half of the 20th century, featuring a lacquered and finely painted design. The ebonized top provides an elegant contrast to the rest of the piece. The front is adorned with four doors, each embellished with evocative floral and bird motifs that reveal meticulous attention to painterly detail. Below, a pair of drawers provides additional storage space while maintaining the piece's aesthetic harmony. The decorations and lacquerwork attest to Chinese craftsmanship and artistic tradition, making this piece suitable for an interior setting that values historical authenticity.Product condition:Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through
