Description

Antique mirror with glazing beads, topped by a large pediment decorated with volutes, flowers, and a seashell. The gilded frame, with a patina that has darkened in places, highlights the reliefs of the decoration. Four strips of glass frame the central mirror, with an ornament at each corner.The central glass is heavily pitted, with darker areas and a hazy reflection. This clearly visible pitting gives it its distinctive character and the look of a mirror from an old mansion.Dimensions110 cm high × 65 cm wide
