Description

Important 18-light chandelier in gilded brass and crystal - Early 1900sA striking and spectacular 18-light chandelier, crafted in the early 20th century from finely worked gilded brass, embellished with an opulent arrangement of high-quality faceted crystals.The chandelier features an elegant neo-Baroque design, characterized by a tall central shaft richly adorned with floral and plant motifs, from which the eighteen light-bearing arms--elegantly shaped into volutes--flow harmoniously.Of particular note is the large central spherical brass element, finely engraved with a refined wavy pattern, which lends the piece a particularly sophisticated character.The structure is embellished with numerous gilded brass ornamental elements, stylized leaves, floral motifs, and an abundant
