Description

A 1960s-style mobile bar featuring a lacquered metal frame and equipped with convenient casters that make it easy to move. The storage compartment is made of teak wood. The door lifts upward, providing convenient and functional access to the interior space. The classic 1960s design blends perfectly with vintage or retro-style interiors, adding a touch of authenticity. Ideal for home use or as a statement piece in a commercial setting.MOMOMO0331058
