Description

Two wall lamps designed by Gianni Celada for Fontana Arte in the 1970s. Crafted from chrome-plated metal, these wall lamps feature a sturdy, polished structure that elegantly reflects light. The thick, faceted glass adds a touch of sophistication, creating a play of light and shadow that enhances any space. Ideal for modern and contemporary interiors, they offer a stylistically versatile and functional lighting solution. 1 E14 bulb.MOILIL0330233
