1882 Model Honor Sword

650 EUR

Period : 19th century

Condition : Très bon état

Material : Metal

Length : 101cm

Description

Model 1882 Sword of Honor, with its scabbard featuring a single loop and a lion-head pommel. Rigid, straight blade with opposing fuller grooves on each side. Four-pronged guard made of white nickel silver, decorated with oak leaves--a symbol of senior officers--with traces of gilding. Handle made of buffalo horn with copper filigree. Markings on the blade near the heel are worn away. Monogram on the back of the handle: an intertwined double "A." Blade length: 85 cm; guard length: 16 cm.
