Description

A stunning and elegant vermeil and silver-plated chalice, accompanied by its paten, presented in a gift box. It rests on a finely chiseled shower-style base topped with a baluster-shaped turned section, all crafted from silver-plated metal. Screwed to the base is the flared vermeil cup. The set comes with its paten, also made of vermeil and bearing the inscription "I.H.S.," as well as its original box. High-quality craftsmanship; there is visible wear on the silver-plated metal portion, but the rest is in perfect condition.
