700 EUR

Period : 19th century

Condition : Bon état

Description

VEST FOR CIVILIAN WEAR, Former Monarchy. 32938White silk vest entirely embroidered with a scattering of flowers and edged with a series of flowering branches, featuring a border made of threads, cannetilles, sequins, and rhinestones in silver and gold-plated silver. It fastens straight down the front with twelve buttons and buttonholes, made of wood covered with white cloth embroidered in the same style as the vest. Nearly horizontal side pockets with flaps, located toward the bottom. Lined with white woolen cloth. The back is made of white canvas and fastens with four laces.France.Old Monarchy.Fairly good condition, some wear and stains.
