Description

A stunning and elegant display coffee table by Fabian Art, notable for its geometric design and refined aesthetic.This piece stands out for its structure, made entirely of clear Plexiglas, combining clean lines, generous proportions, and a remarkable interplay of transparency.The top shelf, with its thick, meticulously crafted edges, sits above a second level that forms a spacious display area, ideal for showcasing collectibles, art books, or decorative pieces.An elegant interior frame with a gold finish accentuates the composition and adds a touch of sophistication to the overall design.The table rests on four geometric legs made of solid Plexiglas, featuring architectural forms and sculptural lines.The combination of transparent Plexiglas and gold accents gives this piece a particularly luminous
