Art Deco Side Table Made Of Wood And Glass

250 EUR

Period : 20th century
Condition : Bon état
Material : Wallnut
Width : 34 cm en bas
Diameter : 60 cm
Height : 59.5 cm

Description

1930s side table in good condition There is just a tiny chip missing from the edge of the large glass panel. 5 mm... no cracks...The tabletop is flipped so the grainy side is facing up; it's not visible from this angle and barely noticeable from the other.The walnut veneer is factory-made for the central section.The two small glass panels are 27 cm in diameter, and one can be removed.The base measures 34x34 cm.
