Platinum Ring With An Emerald And Diamonds

3 800 EUR

Period : 20th century

Condition : Parfait état

Description

Platinum ring featuring a 4.36-carat Colombian emerald at the center, surrounded by twenty-six baguette-cut diamonds totaling 1.08 carats.The ring, which makes a striking visual impression thanks to the exceptional quality of the stones combined with the simplicity of the design, was crafted in the middle of the last century, likely in the U.S.The emerald measures 1 × 0.9 cm, while the ring head measures 1.7 × 1.6 cm.The carat weights of the stones and the platinum hallmark are inscribed on the inside of the shank, as is often the case in American jewelry.
