1 400 EUR

Period : 20th century

Description

A splendid example of the elegance of floral-style jewelry, this yellow gold and silver pendant brooch set with a sapphire and rose-cut diamonds embodies many of the characteristic elements of its era: sinuous lines, featuring the so-called "whip-like curve," naturalistic motifs, and a refined color palette.The versatility of this piece--which can easily be transformed from a brooch to a pendant and vice versa--is also typical of the period.The brooch measures 4×5 cm; the chain is made of 750 yellow gold.
