Description

Large decorative ceramic wall plate depicting Cologne City Hall, in the classic Delft blue color.Villeroy & Boch is not only one of Europe's oldest and most established ceramic companies, but also the symbol of a very distinctive geographical region spanning France, Germany, Luxembourg, and the Netherlands.The company was founded in 1748 and is currently headquartered in Mettlach, in the Saar region, and is therefore considered German.However, the Villeroy and Boch families are clearly of French origin, and their factories were also active in Lorraine and Luxembourg. In this case, the decoration is the traditional Delft style, named after the Dutch porcelain city.The plate, in perfect condition, has a diameter of 43.5 cm and was made in the mid-20th century.
