Description

Pair of Napoleon III-era cassolettes, 19th century, in the Louis XVI style, made of gilded bronze and Sienna yellow marble. A very beautiful pair combining the fine quality of the yellow marble--with its warm colors and exquisite patina--with the delicacy of the floral garlands surrounding the heads of Bacchantes or feminine mascarons. The gilding is in excellent overall condition, as is the marble.Generous size, 35.5 cm tall, giving this beautiful neoclassical pair a striking presence. Each piece is very stable. Rare pieces sold as a pair and particularly interesting due to the choice of marble. Shipping available within France and worldwide via secure, insured package with order tracking and careful packaging. Invoice and certificate provided. Pickup available on-site at Mas
