Description

Jean Hugon (1919-1990). Oil on canvas, original painting titled "People in the Garden," dated 1984. The work comes from a private collection in southwestern France. Jean Hugon, a painter from Marseille, had a strong connection to light, color, and movement. This painting perfectly illustrates the artist's talent in these areas. He later settled in the Bordeaux region, where his talent illuminated the postwar art world alongside Robert Vallet and Jean Gérard Carrère, staging beautiful exhibitions at the famous restaurant "Chez Irène" in the village of Le Canon on the Cap Ferret peninsula. A Moment of Freedom.
