Pair Of Decorative Cement Artichokes - 20th Century

180 EUR

Period : 20th century

Condition : Très bon état

Description

A very pretty pair of decorative artichokes from the 20th century, likely made of molded cement, resting on elegant pedestal bases.Their beautiful relief carving, depicting artichoke leaves, gives them plenty of character and charm.They feature a superb patina with the hues of aged stone, along with lovely signs of wear that highlight their authenticity and decorative appeal.This pair is in good overall condition and makes a beautiful set to add a touch of elegance and refinement to your decor.Outdoors, these artichokes will naturally find their place on either side of an entrance, on pillars, on a patio, or in an English or French-style garden.Indoors, they'll be just as decorative, placed on a console table, a sideboard, or a mantelpiece, in a country house, classic, or shabby chic setting.A charming pair of decorative
