Description

A clever mechanism in the rear stand, which pivots on its own axis, allows this frame to be displayed horizontally or vertically. It is a large oval frame made of gilded bronze, the frame border features a beaded frieze accompanied by a coiled ribbon; inside, the smooth, gilded section is a removable mat that allows you to increase the photo's size by two centimeters if you wish. Dimensions of the oval photo area as shown here: 23 x 17 cm. This frame dates from the first half of the 20th century. Shipping available in France and internationally; please contact me for details
