53 × 38 cm with gilt frame
Stamp of Cornelia Weßel GmbH, Hamburg, on the reverse
The crisp line recalls the German drawing tradition. Behind the doll, a dark border frames an imaginary landscape. The watercolour-like washes and the doll's fixed gaze give the scene a dreamlike, slightly unsettling quality.
Margrit von Spreckelsen (1940-2017) studied painting under Karl Kluth in Hamburg. She exhibited at the Landesmuseum in Oldenburg in 1963 and made prints for Griffelkunst in Hamburg.
