Description

An elegant 26-piece dinner service made of Limoges porcelain, designed by Georges Boyer, a French manufacturer renowned for the finesse and quality of its creations.This set stands out for its white porcelain, delicately embossed with a design featuring fine radiating ribs, small raised motifs, and slightly scalloped borders.Each piece is enhanced by an elegant frieze of gilded foliage, adding a touch of refinement and luminosity to the set.The contrast between the whiteness of the porcelain, the delicacy of the reliefs, and the richness of the gilding lends this set a timeless elegance.A magnificent tableware set, ideal for setting a refined table on special occasions or for complementing a collection of Limoges porcelain.Set composition - 26 pieces:6 dinner plates - diameter 25.5 cm12 soup bowls - height
