Reliquary Box

580 EUR

Period : 19th century

Condition : Très bon état

Material : Gilding

Length : 27 cm

Width : 22 cm

Depth : 4 cm

Description

A reliquary frame dedicated to Saint Thérèse. This frame contains finely rolled strips of gilded paper, creating a perfectly arranged design. It is most likely the work of a nun from the 19th century. This beautiful piece is framed by a slender Louis XIII-style molding dating from the 17th century. The box has a hanging ring on the back and has probably not been opened since it was made.
