Set Of 5 Vintage Hats - Circa 1920-1950

120 EUR

Period : 20th century

Condition : Bon état

Description

A beautiful set of five vintage women's hats, likely dating from the first half of the 20th century, between the 1920s and 1950s.A delightful testament to the feminine elegance of yesteryear, comprising five different styles in a variety of shapes, materials, and colors.This collection includes:A stunning emerald green hat adorned with feathers.An elegant raspberry-red hat.A delicate ivory hat decorated with fabric roses, foliage, and a black veil.A charming brown hat embellished with feathers.A lovely light beige hat with particularly refined braided detailing.These five pieces have retained all their original charm and bear the signs of age characteristic of vintage accessories.A set full of character, ideal for collectors of vintage fashion, decorating a boutique, creating a store window
