Description

A charming set of five vintage women's hats, likely dating from the first half of the 20th century.Five different styles, reflecting the elegance and refinement of women's fashion of yesteryear.This collection stands out for the diversity of its shapes and materials: delicate feathers, intricate braiding, velvet trim, and pretty embellishments.Beautiful shades of blue, purple, black, brown, and beige come together to create a particularly decorative collection.These hats have retained their charm and authenticity, with a few signs of wear due to their age.A very lovely lot for lovers of vintage fashion, collectors, boutique decor, window displays, or enthusiasts of period costumes.The five hats are sold exclusively as a set. The lot is indivisible.The hat stands shown in the photographs are not included in the sale. They
