Sculpture In Rosin, Mid-20th Century

800 EUR

Period : 20th century

Condition : En l'etat

Material : Other

Width : cm 16,5

Height : cm 24

Description

The sculptural mask made of rosin is a life-size piece, characterized by a semi-transparent surface with amber and reddish tones. The mask likely dates to the mid-20th century and appears to be a studio study. The surface exhibits irregularities, microcracks, and cloudiness typical of the aging process of this natural resin.
