Description

Venetian cabinet from the Baroque period, 17th century. Featuring marquetry of Mozambique ebony, walnut, elephant ivory, semi-precious stone inlays, blown glass, and chiseled and gilded bronze; the top, with its arched frame, forms a mirrored lid revealing a chest, the front features geometric decorations and opens via two hinged panels; the interior is architecturally decorated to resemble a theater, concealing a series of eleven drawers adorned with foliage motifs and carnelian cabochons, punctuated by small columns with Corinthian capitals and figures representing the four seasons in the upper section, two busts and three mythological figures, resting on a base that forms a drawer, the rear base featuring six twisted column-like legs resting on a plinth. The cabinet comes with its CITES
