Description

Small wooden table lamp from the 1950s, crafted in the style of French designer Charles Dudouyt.The turned wooden base consists of a series of horizontal rings that taper toward the top, resting on a round, stepped base. This highly distinctive turned woodwork is characteristic of Dudouyt's furniture designs, which combined Art Deco elements with the traditional art of woodworking.Features a brass-colored socket and a fabric lampshade.Dimensions: 52H x 25L x 25P
