Description

A beautiful bronze and brass chandelier with three light arms.Dating from the 19th century, it was originally designed for candlelight and has never been modified; therefore, none of the cups or sockets have been drilled. It is, of course, possible to have this chandelier converted for electric use.Composed of a central baluster-shaped shaft, it is adorned at the bottom with a large bronze sphere and topped with three stylized griffins leaning against one another.This chandelier is in the 17th-century Dutch style.It has retained a beautiful antique patina, old bronze; please note two small holes on one of the arms (see photo).Dimensions:height 75 cmwidth 55 cmPlease contact us for shipping costs.
