Description

Polychrome marble vase with a predominantly turquoise color scheme - Egyptian New Kingdom style, circa 1400 B.C.Small polychrome marble vase featuring an ovoid body, a short neck with a flared rim, and a small, fluted circular foot.The marble displays a variety of colors blending shades of turquoise blue, green, ochre, yellow, and reddish brown. The stone's natural veins and inclusions form an irregular pattern across the entire surface.The stone is polished, highlighting the marble's color variations and texture.The vase's shape, with its bulging body and narrow opening, is reminiscent of ancient Egyptian works, particularly those from the New Kingdom, around 1400 B.C.Material: Polychrome marble.Height: 6.5 cm - Diameter: 5.5 cmStyle: Egyptian New Kingdom, circa 1400 B.C.
