Description

A planter combining a lobed basin made of Chinese cloisonné enamel with a French frame of gilded and patinated bronze. The basin has a ribbed body and is decorated with a polychrome design of peonies, chrysanthemums, foliage, and butterflies on a turquoise-blue background featuring geometric fretwork (wanzi motif). Frame: openwork gallery, two Greek-style handles terminating in chimera heads, a chiseled and openwork quadripod base featuring masks and Fô dogs. Letters "I S" or "S I" on the reverse of the four feet, original hardware. Under the base, original ink numbers ("41064," "236") and the notation "pair": sold individually.Period: late 19th century (Chinese basin, French mount)Material: cloisonné enamel on copper, gilded and patinated bronzeDimensions: width at
