Small Walnut-veneer Side Table, 1970s

340 EUR

Signature : dans le goût de George Nelson

Period : 20th century

Condition : Très bon état

Material : Wallnut

Diameter : 52

Height : 42

Description

A nice little side table or pedestal table made of walnut veneer, with a PVC trim around the tabletop. This type of pedestal table was generally designed for waiting rooms in banks or government offices. The base appears to be made of cast aluminum.
