Early 20th-century Games & Toys Catalog: Special Year-end Edition

60 EUR

Period : 20th century

Condition : Bon état

Material : Paper

Description

An old catalog of all the games and toys offered for sale during the holiday season, dating from the early 20th century Rattles, board games, music boxes, tin cars, toy soldiers, model railroads, etc.... Everything that could be made in the early 20th century, for both little boys and little girls of all ages. Incredibly interestingthe catalog is complete and in its original condition; some pages are slightly worn but nothing is missing (it must have been flipped through quite a bit!!!)
