Description

An elegant pair of decorative bronze lamps, signed Herraiz, resting on oval veined marble bases.Each lamp features a different sculptural composition, depicting figures in pastoral and romantic scenes, in the spirit of the 18th century.The figures are accompanied by finely crafted tree branches, which form the lamp shafts and lend movement and lightness to the ensemble.The bronzes are distinguished by the finesse of their chiseling and their beautiful golden patina.The lamps are topped with light-colored fabric shades, embellished with decorative gold braiding.A refined and original pair, ideal for decorating a console table, a dresser, or two side tables.Signature: Herraiz, visible on the bronze.Dimensions:Lamp 1:Height: 66 cmWidth: 36 cmDepth: 25 cmLamp 2:Height:
